OFFICE OF THE ...
FOR LAW
I J.
No. 4789

Copy of letter No.SC.101/45-46 dated 16-7-45 from the Director of Textiles in Mysore, Bangalore, to the Rationing Officer, Bangalore City.

Sub:-Delivery of standard cloth to private licencees.

With reference to his letter No.R1-ST-19/45 dated 11-7-45, in respect of the above, has the honour to state that the analogy of the procedure forwarded regarding foodgrains does not fit in with the case of standard cloth, while considering the question of entrusting release of goods to private licensees. It is with the specific view of having Assistant Director of Food Supplies (Depots), Bangalore, both as stock-holder for city and the State, that the release work cannot be entrusted to him. Hence, work regarding releasing cloth, collecting amounts, thereon, etc., in respect of private licensees, and sales conducted in Bangalore City has to be carried on by Rationing Officer, as at present. This will also help in the collection of octroi duty being under one office.

2. As it is learnt that only eight standard cloth depots have been opened in the city, there is provision for one more depot. The same may be opened in his office and staff thereon appointed duly. The depot and the staff thereof may be exclusively meant for release of goods, collecting amounts thereon, etc., to private licensees only. This will facilitate early and speedy work.

3. As regards head of account to which amounts realised will have to be credited, it may be noted as P.D.Account No.2 of the undersigned. This office may be kept informed regularly and transactions thereon.

Sub:- Additional staff for standard cloth work in the Rationing Officer, Bangalore City.

Adverting to your memo No.SC.221/45-46 dated 8-8-45 and SC.389/45-46 dated 11-9-45 addressed to the Rationing Officer, Bangalore City on the above subject, I have the honour to state that the staff sanctioned for sales depots cannot be utilised for other purposes as it only represents a basic scale of staff and the sanction becomes operative only when a sales depot is opened and not otherwise. It is therefore necessary that sanction of Government should be obtained for the entertainment of this additional staff.

The bill containing the claims for pay and allowances of the staff for September 45 received in this office for preaudit has been deferred for consideration until a reference is made to Government for according sanction to the additional staff for the Rationing Office.
